The services were the first of the regular Friday night devotions to be held during the Lenten season. Rev. Hugh McKenna, curate, officiated at the services. The services consisted of the rosary, stations of the cross and benediction. To-morrow night the first regular Sunday evening Lenten devotions will be held. Rev. P. M. Several local season records in candle pins were broken last evening at the Merlo Bros. alleys when the Weho bowling club and the Ozark club met, the former winning two games out of three. The Weho club established a new city record for the three string total of the season by bowling down 1480 pins, 72 points better than the mark established by the Pastimes the night previous. The single team string of 529 by the Weho club has not been beaten before this season. Harold Nute's three string total of 344 has the preference over all other individual games of the season. His strings were 127, 122, 97.

The tango, turkey trot, grizzly bear, bunny bug and all the lately introduced dances of the one-step variety are condemned by parents, the clergy, and most right-thinking people; but the change from the old method of fire kindling, where the dancing flame flickers and goes out, to Brown's quick fire charcoal is one step towards domestic economy and safety received with enthusiasm by mother and father alike and acknowledged by all. Costs but a quarter for a couple sacks. Phone 53-M, drop a postal or step in and order at Aiken's, 315 North Main street. Northern Charcoal Co.

The Shamrock basketball management is negotiating with the Caledonia A. C. of South Ryegate for a game to be played at Montpelier to decide the state championship. Caledonia management refused to abide by its first agreement, which called for games in the respective home towns. The South Ryegate team has submitted its terms of the winner taking all the gate receipts, while the local team insists that it is only reasonable to play on a basis of 75 and 25, or 60 and 40 per cent. of the receipts. It is expected that suitable arrangements can be made to play the game at the Montpelier armory either the last of next week or the first of the following week.
